

PT. SEDERU KARYA SELARAS
YOUR PARTNER SOLUTION

COMPANY **PROFILE**

PT. SEDERU KARYA SELARAS

ABOUT US

With over 20 years of expertise in the logistics and aviation sectors, we understand the growing challenge of finding quality employees. Our platform streamlines the IT systems process, providing real-time, accurate data that helps in making informed hiring decisions.

Navigating through the multitude of applicants to identify those who are qualified, reliable, and likely to succeed is increasingly difficult. We offer comprehensive investigative services and solutions tailored to local, regional, and national companies to aid in their hiring processes.

We have partnered with several companies, assisting in roles ranging from managerial positions to Vice Presidents. Our extensive experience ensures that we understand the unique needs and challenges of different organizational levels.

In 2023, we took a significant step forward by establishing our own company, PT Sederu Karya Selaras. This venture is supported by PT Miqfana Usaha Selaras, a well-established entity since 2010. Together, we bring a wealth of knowledge and a solid foundation to our clients, ensuring exceptional service and reliable solutions.

OUR VISION

Our business achieving their goals and we hope that our passion for IT and new technology can play a part in creating a better business environment. To be recognized as one of the best software solution & IT services provider to the industry and in the process create a team.

OUR MISSION

01

Enhance Recruitment Processes : To simplify and optimize the hiring process by delivering accurate, real-time data and comprehensive investigative services.

02

Innovate and Evolve : To continuously develop and implement cutting-edge IT solutions that meet the evolving needs of the logistics and aviation industries.

03

Support and Grow : To build lasting partnerships with local, regional, and national companies, providing them with the tools and insights needed to make informed hiring decisions.

04

Commit to Excellence : To uphold the highest standards of service, integrity, and professionalism in all our endeavors, ensuring client satisfaction and trust.

OUR SERVICE

Developer Service

Developer Services: Custom Software Development: We create tailored software solutions designed specifically to meet your unique business requirements.

Web Development : Our team builds responsive, user-friendly websites that enhance your online presence and engage your customers effectively.

Mobile App Development : We design and develop mobile applications for both Android and iOS platforms to ensure you reach your audience wherever they are.

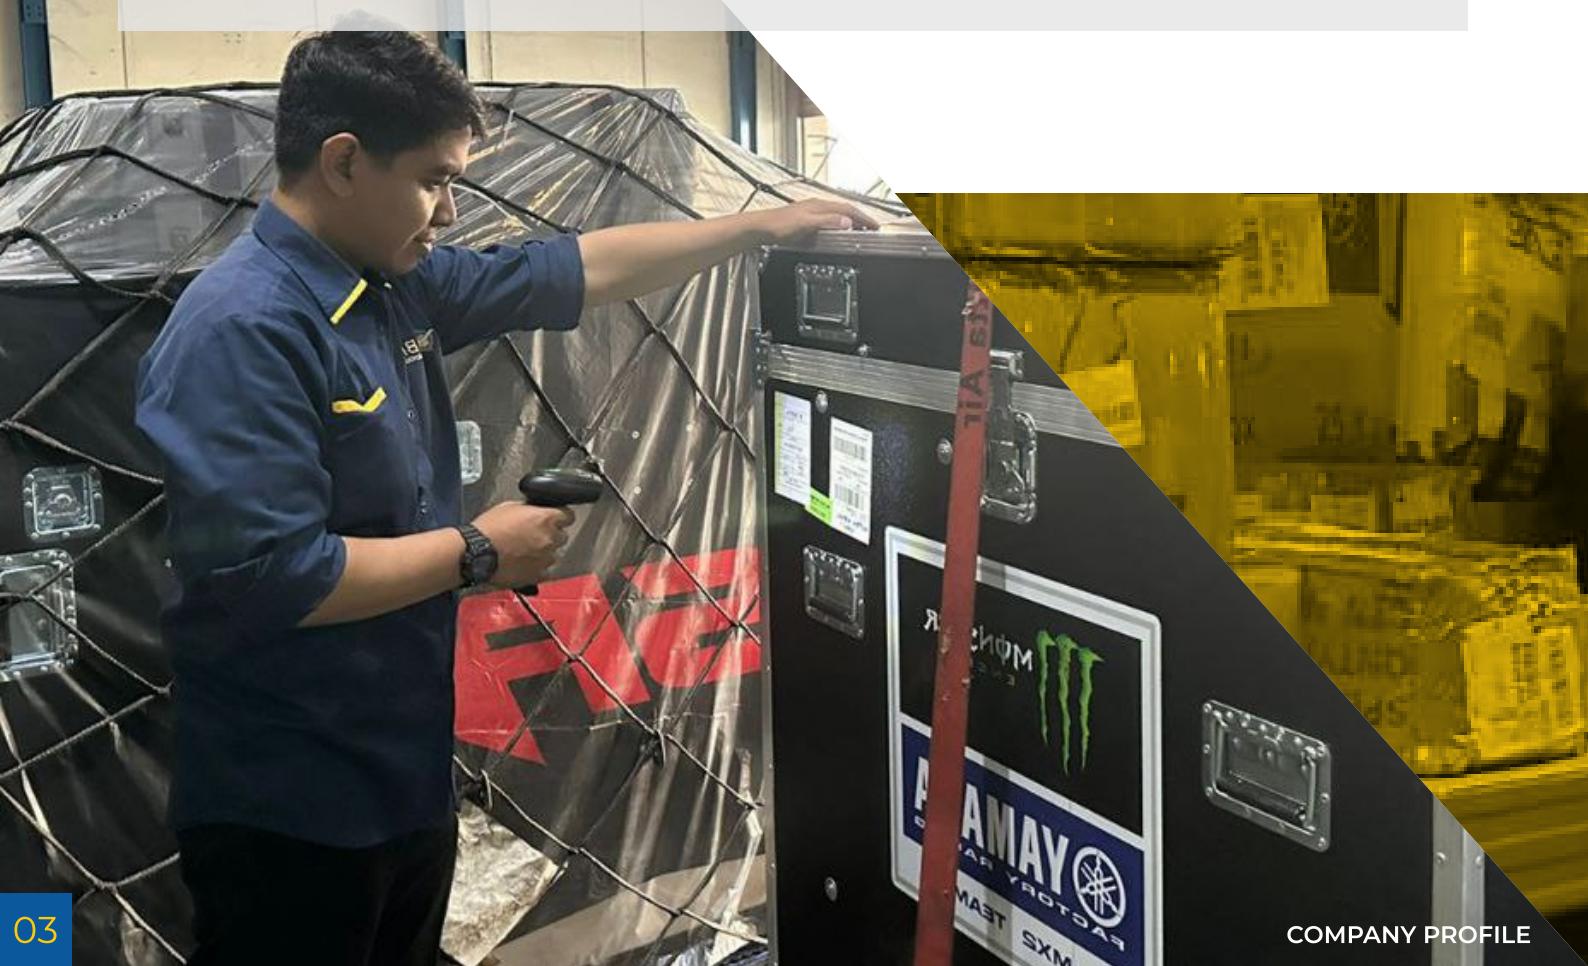

Maintenance Service

System Maintenance : We offer regular maintenance to keep your software and systems running smoothly, including updates and upgrades.

Technical Support : Our team provides 24/7 technical support to quickly resolve any issues and minimize downtime.

Performance Optimization : We enhance system performance to ensure fast, reliable, and efficient operations.

Security Management : We implement and maintain robust security measures to protect your data and systems from threats.

SUSTAINABLE EFFORT

Virtualization and Cloud Computing : Consolidating servers through virtualization or migrating to cloud platforms can optimize resource usage, reducing the number of physical servers needed and their associated energy consumption.

Remote Work Solutions : Promoting remote work options reduces the need for daily commuting, cutting down on carbon emissions associated with transportation and contributing to a more sustainable environment.

Ethical Reputation : Customers often appreciate and support businesses that demonstrate a commitment to sustainability. Knowing that a company is environmentally conscious can positively influence their perception of the brand.

Innovation and Improved Products : Sustainability often drives innovation. Developing products and services with environmental considerations can lead to better, more efficient, and longer-lasting solutions, which can improve customer satisfaction.

Transparency and Trust : Companies that openly communicate their sustainability efforts tend to build trust with customers. Transparency about sustainable practices can create a stronger bond between the company and its customer base

OUR VALUE

Excellence

We are committed to achieving the highest standards in everything we do. Our dedication to excellence ensures that we deliver top-quality IT solutions and services that consistently exceed our clients' expectations.

Innovation

We embrace creativity and the latest technological advancements. By continuously seeking innovative solutions, we are able to meet the evolving needs of our clients and stay ahead in the rapidly changing IT landscape.

Customer Focus

Our clients are at the center of our operations. We listen attentively to their needs, provide personalized solutions, and strive to build lasting relationships based on trust and satisfaction.
